Living and Sharing the Transforming Love of Christ

Pastor's Corner

Starting Something New

Earlier this year Campus Lutheran began operating under a new governance structure. Instead of a Church Council that included both elected officers and elected ministry Board Chairs, our Council now consists of our elected officers, the Chair of the Elders, and one At-Large member. What used to be our various Boards have, for the most part, been re-organized as Chartered Ministry Teams or Volunteer Director positions. The church staff works closely with the ministry teams and volunteers to help coordinate our congregation's

various ministries and to help us remain aligned to our mission of "Living and sharing the transforming love of Christ by reaching *UPWARD* in reliance on God the Father, Son and Holy Spirit as the source of our life, purpose, and salvation; *OUTWARD* to those who have not yet heard or experienced the Good News of God's life-saving love for them in His Son, Jesus Christ; and *INWARD* to support, encourage, and build one another up as brothers and sisters in Christ as we live out His calling for our lives."

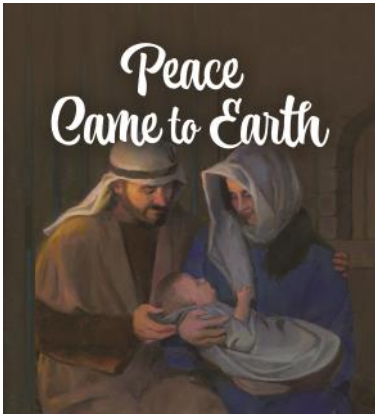

While we are all still learning how to serve together in new ways, our journey forward under this new model of ministry is off to a great start. Here are some highlights to help you understand how our new system works:

- ◆ **Weekly Staff Meetings** – Our staff (me, Pastor James Lanning, Vicki Smith, Beth Greimann, Hope Kane, Alex Hopfer) currently meets on Tuesdays at 8:00 a.m. We rotate leading devotions and prayers for our congregation. In addition to providing a structured time for communication and coordination, our weekly staff meetings help us keep our ministries aligned with the mission and vision of the congregation.
- ◆ **Ministry Teams** – Since the adoption of the new governance structure the following ministry teams have been chartered: Student Ministry Team (Deanna Leimbach, Chairperson), Youth Ministry Team (Luke Lilienkamp & Jen Pierce, Co-Leaders), Social Ministry Team (Sarah Pellis, Chairperson), Parish Fellowship Team (Chris Vaughn, Chairperson), Education Ministry Team (Mary Ellen Lohmann, Chairperson). Ministry team charters are renewed annually. There is also flexibility to amend team charters and to add or remove teams as the needs of the congregation change.
- ◆ **Volunteer Directors** – Mark Brakhane serves as the Church Property Director, and Rachel Skrabal serves as our Stewardship Facilitator. Volunteer director roles are for one-year commitments.
- ◆ **MAPS: Ministry Action Plans** – Various short-term and long-term ministries happen at Campus Lutheran throughout the year. Some are extensions of chartered ministry teams, and some are not. Ministry Action Plans (MAPS) are designed to give ministries, projects, and events accountability and to help ensure that they are aligned with the congregation's mission and vision.
- ◆ **Church Council and Board of Elders** – The Church Council is entrusted with governance oversight of the congregation, working with the pastor to ensure that the congregation is living out its mission and that the operations of the church are being carried out. The Board of Elders is focused on the spiritual life of the congregation, and assists with and supports our worship services.

We give thanks for all who serve the Kingdom of God through the ministries of Campus Lutheran! If you would like to learn more about how you can be involved in one of our congregation's ministries, please reach out to any of us who are on the church staff, Council, or on one of our ministry teams.

Serving Jesus with you,

Pastor Kent Pierce

Shared Ministry

Baptized Into Our Family

At the beginning of this year, Hannah and I met a wonderful woman named A___, a graduate student from “Southeast Asia” who showed up at Campus Lutheran wanting to know more about Mormonism; she was welcomed in and recommended to our young adult group called quarterlife. She knew basically nothing about Christianity when we first met, and the language gap has been a challenge, but she has been coming faithfully to Quarterlife events since February and has even come to church at Good Shepherd. I and the members of Quarterlife have been working with her to teach her the stories and core doctrines of Christianity; the major challenges have been the language gap, the sheer amount of stories and theological concepts in the Bible, and the fact that Christianity has been completely foreign to her all of her life. The most difficult thing for me has been the doubt that I’m just not doing enough, that I haven’t explained things well enough, or haven’t prepared or planned well enough to effectively teach A___ enough, as if my preparation, explanation skills, and planning could create faith in her. God has showed me how futile and silly my reliance on my own intelligence and abilities are, as I have seen A___’s faith grow, even as I have worried that I haven’t done enough. A___ asked to be baptized earlier this summer, and as of this past August, A___ is now a baptized member of the family God, not because of anything she, or I, or anyone in Quarterlife did, but because God chose her and planted a seed of faith in her heart. I may not think that I said enough, that I didn’t teach her enough of the story or explain enough of the core doctrine, that I didn’t use the right words, but it’s not about my words, or intelligence, or ability to effectively communicate, it’s about God and His Word, which is more powerful than I can possibly imagine, and certainly more powerful than anything I could ever say or do.

(all edits to her name, appearance, and country of origin are made out of an abundance of caution)

QUARTERLIFE - PASTOR JAMES LANNING

QUARTERLIFE CAMPOUT

Members of Quarterlife from Campus and Good Shepherd went camping at Arrow Rock State Park on October 13-15. Despite the cold temperatures, wind, and rain, everyone had fun around the campfire, fishing, and hiking. Smores and campfire cobbler were enjoyed by all; Saturday night's meal featured brisket, cheesy potatoes, and green beans.

THE GATHERING

Watch Party: The Gathering this semester had a watch party to watch the Mizzou Tigers beat the Memphis Tigers. We enjoyed snacks & dessert as well as pizza. We had a great afternoon and played some games after the win. The freshman who joined us at the watch party also got a tour of our church. The group had loads of fun!

OCC: The Gathering had an off night back in September to have a little fun, and we included a small service event. We helped fold boxes and wrap other boxes. This was the preparation for our congregation to work together to make Christmas boxes for children across the world to have a smile come Christmas!

Hayride: Campus Lutheran Church & our Partnership Good Shepard had a hayride out in Centralia in October, The Gathering decided to come together as a group and hang out. It was chilly that evening, but everyone who went had so much fun and enjoyed the Hayride very much. We all sat in the back of the trailer to sit together and just enjoy the ride and the stars.

Pumpkin Carve: The Gathering on October 25th carved the leftover pumpkins from the pumpkin carving that our international ministry did. We had a few pumpkins and the carvings turned out fantastic, everyone enjoyed carving and hanging out before our Gathering group started!

THE GATHERING CONTINUED

This Halloween students from The Gathering collected canned goods for the Central Missouri Food Bank. Along with their service project they also enjoyed a costume contest and hot dog roast at Pastor Kent's and Jen's house.

Congratulations College Graduate!!

Heidi Duque

Heidi has been a part of Campus Lutheran Church for a while now she is graduating this December from Moberly Area Community College and she will be walking the stage in the Spring. She is transferring to Truman to continue her education for the spring semester.

STUDENT SPOTLIGHT:

Lauren Bruss

"I got involved in Campus Lutheran Church's ministry for a lot of reasons. It was always important to me to find a church family during college, since community is so important when it comes to worship. Specifically, when I was in the process of choosing Mizzou, I looked into the nearby ministries and immediately knew that Campus Lutheran would be welcoming and remind me of home. At the most recent National Youth Gathering, I met one of Campus Lutheran's students—Morgan. She connected with me for a brief moment and mentioned this ministry, and now I go to church with her! When I got to Mizzou for school (with the help of student leaders' outreach, emails, and social media posts), I found myself right where I needed to be—here."

INTERNATIONAL MINISTRY - BETH GREIMANN

Our International Ministry is flourishing.

The Holy Spirit is moving in hearts and people are responding. Pastor's What Lutheran's Believe Class started with one person, grew to two and now has 10 adults in it, all Internationals from 3 different countries.

The growth in part is that we are adding a component for their children led by the Greimann's, Ken brings his guitar, Beth cooks with them and they do crafts as they learn about Jesus. One of our newest Chinese friends, keeps inviting other neighbors and they are coming!

We had our first family activity night on Wednesday, October 11th. Seven families joined in the fun and learned how to make home made Pizza with Ken Greimann, while Scott Wallace sang songs with the kids that shared the Creation story. Beth Greimann followed up with the creation story and brought in academic vocabulary about the solar system. We used many of our things left over from Stellar VBS! The parents then shared the pizza they made with the children. We sent home pizza pans and pizza cutters with the families so that they can make pizza at home.

FINANCIAL SECRETARY - JOHN SPONAUGLE

OFFERING ENVELOPE UPDATE

The Church Council has decided, based on information provided by CLC's Financial Secretary John Sponaugle and further discussion, to no longer provide numbered offering envelopes to our members.

Offering envelopes will continue to be available in the pew racks. These same envelopes will be available in the Fireside Room for members to take home for use. Members are encouraged to take a year's supply of the offering envelopes if desired.

A major reason for this change is fewer people are using the numbered offering envelopes since a large amount of giving has moved to automatic bank drafts, IRA transfers, VENMO and loose checks; which are given without using an offering envelope.

As long as CLC's Financial Secretary has documentation (a check or available offering envelope) with a legible name and dollar amount, the necessary information can be recorded for end of the year giving statements. We also need to know if there is a specific area of ministry where a gift should be designated. Gifts without a designation will be credited to the general operating fund.

OCTOBER in the LOUP

OCT 2023

Grace, mercy and peace to you, Brothers and Sisters in Christ, from God our Father and our Lord and Savior Jesus Christ! Heartfelt greetings from Wisconsin.

Immanuel's Oktoberfest celebration that I had mentioned in the last letter was a resounding success! (I was in charge of Oktoberfest, as it was my Community Outreach Project that was assigned from the Sem.) We fed more than 250 people, many of whom came from the surrounding community! There were a lot of smiles to be seen on the faces of children who were running around the grounds. That might have been because of all the candy that we handed out, but I think they had a good time too! It was a wonderful joy to see the members of Immanuel Rapids reaching out to their neighbors, offering them a treat and a smile. More than once I saw members come up to people who looked a little lost and strike up a conversation. Who knows where or when those seeds that were planted will bloom and grow—that all depends on the Holy Spirit! I pray that He will use the event to the benefit and growth of the Kingdom of God; I encourage you to join me in that prayer!

I am really enjoying my time at vicarage. I feel that I have gotten into the rhythm of life that abounds up here. I am blessed to have the opportunity to preach every other week. That's a lot more frequent than when I was in class all day! I enjoy preaching—it might be one of my favorite things about vicarage so far. At the end of last month, I was given the opportunity to preach three weeks in a row—and man, I appreciate all the work that my pastors have done over the years! (If you didn't know, October is Pastor appreciation month—if you haven't yet, I would encourage you to reach out to your own pastor and say thanks for everything they do!)

With fall approaching, I am looking forward to getting into the woods and experiencing creation as only found in central Wisconsin. Claus and I are leaving for a day next week to go chase after the "King of the Woods", the ruffed grouse for a day. It will be a welcome break and rest. Eleanor is doing so well up here! She is starting to walk and is quite proud of herself in that regard. We are looking forward to taking Eleanor trick-or-treating for the first time this year. Dreama is also doing well—as well as you can be when the baby is due in a month! Please pray for us as the due date approaches.

Blessings in Christ Jesus our Lord!

FRIENDS IN FAITH

The Friends in Faith bible study group helped serve a Sunday meal in September for our college students. The group also enjoyed attending the Maples Repertory Theatre in Macon to watch the classic show called The Church Basement Ladies. We continue to reach out and send birthday cards to all women of the church along with enjoying our Tuesday night bible study.

Meet Me At The Manger

To make this “Gift to the Community” a success and provide a positive statement of praise to our Lord, **your participation in this congregational event is needed** with the following;

1. **Bring and display your nativities with story cards.** Set-up will be day Thursday, November 30. College students, bring a nativity back after your Thanksgiving visit home or to Grandma’s. Frequent Visitors, please display at least one nativity.
2. **Distribute postcard invitations.** Don’t forget your neighbors, co-workers, friends, clubs, everywhere you do business, total strangers as you shop, etc. There are over 1000 available in the brown low cabinet in the Connect/Fireside Room and we can always order more. Take as many as you may need and then grab ten more.
3. **Social media fans:** post and share an invitation on Facebook, Twitter/X, Instagram, etc. Each of you probably has a minimum of 100 contacts not from Campus Lutheran.
4. **Serve as host** for an hour or two to greet guests as they arrive, station yourself among the nativities to answer questions, help direct the flow of viewers, work in the Children’s corner, or volunteer in the kitchen. Sign Up Genius will be available by mid-November.
5. The Community Life Center will be open for Fellowship, so offer to **provide baked Christmas cookies, nutrition bars, apple cider or hot chocolate and/or help serve.**
6. A **special viewing** is open for senior residential facilities, those with mobility issues, those avoiding crowds because of health **9:30am-3:00pm Friday, December 1.** Help host or work in kitchen.
7. **Bring** your family, friends, neighbors, or complete strangers to **view the nativities 5:00-8:00 p.m. Friday, December 1 or 9:30 am-5:00 p.m. Saturday, December 2.**
8. **Help with tear-down at 5:15 Saturday, December 2.** This is a big job! We need a couple of strong individuals to help lift tables, foam panels, and totes/boxes filled with nativities!! With many hands helping, it took around one hour in 2022 so you can still attend holiday parties.

THANK YOU NOTES

8/27/2023

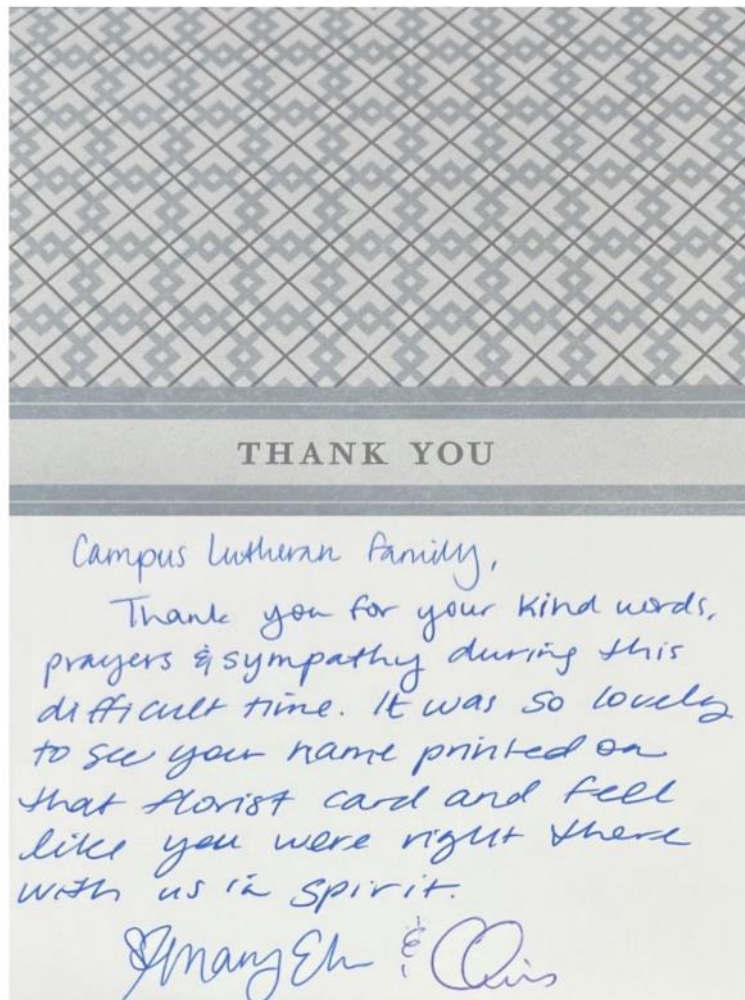

Dear Campus Lutheran Church,

It was a pleasure to have the opportunity to conduct my DCE Field Experience hours with your congregation this summer. I enjoyed my time there and it was very educational for me.

Thank you for allowing me to observe your activities and for supporting my studies as I prepare to serve as a Director of Christian Education!

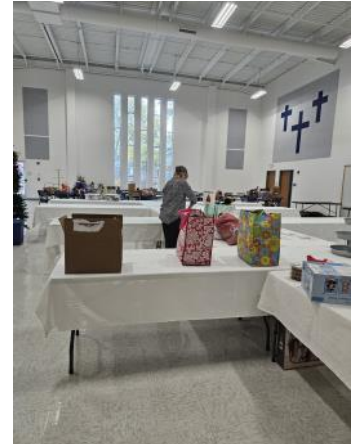

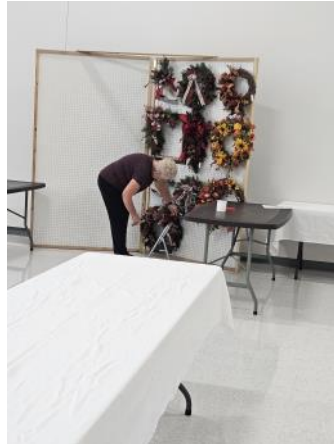

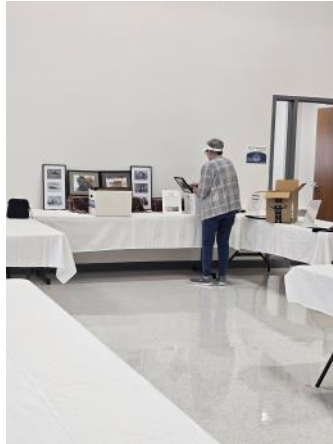

In Christ,

Christina Gronofeld

Fall Festival and Spaghetti Dinner

Set Up

Fall Festival Recap

Our third annual Fall Festival and Spaghetti Dinner was a wonderful success, thanks to the many members who crafted, cooked, setup, cashiered, served, provided music, cleaned up, and above all, prayed for the success of the event. Over 60 members worked at the event in some way, and many others contributed by bringing family and guests to the spaghetti dinner. We enjoyed a day of fellowship and fun, with many new faces coming through our doors, and we raised approximately \$6,667 for the organ repairs. (The final amount may change slightly if late donations come in.)

DORCAS GUILD - LINDA MOAT

Dorcas Guild Welcome Tea

It was an amazing kickoff to the Dorcas year. There were 22 ladies in attendance, 6 under the age of 30!! Everyone seemed to enjoy the day, learned some very interesting things about tea from Beth Busseau, had delicious finger foods and new tea flavors most had never tried. We handed out the booklets with the activity calendar and had several people come up looking forward to something that was listed. It was a success!
