

SHARED MINISTRY PRAYER ITINERARY (January thru April)

Please join the Shared Ministry Prayer Group in prayers offered each Wednesday at 8:00 pm during the regular Zoom meeting. If you cannot join the [Zoom meeting](#), please stop and pray during that time each week using the prayer itinerary for each month as shown below:

JANUARY - Homeless; Protection from the cold

Pray that the homeless members of our communities would find adequate food and shelter. Pray that the Lord would give us compassion and understanding for those in our communities who are in need.

FEBRUARY – Best Practices; International Missions

Pray for the members of Campus and Good Shepherd attending the Best Practices in Ministry conference. Pray that their time there would increase their faith and inspire them to work diligently at sharing the transforming love of Christ. Pray for safe travel and good fellowship while traveling.

Pray for Chris and Ashley in Brazil and for Erin in Latin America. Pray that God would provide them with the courage and resources they need in their ministries and that their efforts would continue to grow God's Kingdom.

MARCH – Lenten Season

Pray that God, who is mighty to save, would grant us pardon from past sins, courage to resist present temptations, and protection against all evils. Pray that we might share the transforming power of the love of Jesus with others who face their own troubles and temptations.

APRIL – Seasonal Weather; Rain

Pray that our Heavenly Father would bless us with balanced seasons and life-giving rain upon our land. Pray that we might experience the beauty of each season and be mindful of His power over the elements.

Each Week:

Pray for the shared ministry partnership between Campus Lutheran Church and Good Shepherd Lutheran Church that the Holy Spirit would guide us to share the transforming love of Christ through our ministries.
