

Shared Ministry Workgroup Notes for February 2024

1. The Shared Ministry Prayer Group is now meeting at 8:00 pm on Wednesday. That group will not meet during Lent, but will start meeting again on Wednesday, April 3.
2. The Asset Mapping exercise has been completed. Data will be compiled into one document, and that document used as a reference. The primary need is for both churches to create strategic plans.
3. A new Shared Ministry Calendar has been created. This calendar will list Shared Ministry Events, and will be shared via each church's webpage.
4. Both Campus and Good Shepherd will begin the strategic planning process after Easter. We will work together to ensure our strategic plan goals are in line with our Shared Ministry MOU. The strategic plans will be used to guide our shared ministry through the next several years.
